Sir,

Sub: - **Requesting to ensure fresh initiatives by the circle and district administrations, for the empanelment of good quality hospitals - req.**

We wish to bring the following to your kind notice for favour of necessary action.

BSNLEU is receiving complaints from many places, regarding the non-availability of the facility of cashless treatment from good quality hospitals. Even though, a Group Health Insurance Scheme for the willing employees has been implemented in BSNL, a good section of the employees have not joined the same, due to the high rates of premium. Such employees are only dependent upon the BSNL MRS for their medical requirements. Hence, the Management has to ensure the availability of cashless treatment from good quality hospitals, under the BSNL MRS.

Earlier, good quality hospitals have left BSNL empanelment, due to the non-payment of their bills by the Company for years together. However, the situation is not the same today. Still, for want of serious efforts on the part of BSNL administrations at circle and district levels, good quality hospitals are not available in many places. The ultimate sufferers due to this situation are the employees and their dependents.

In view of the foregoing, we earnestly appeal to you to kindly ensure that, fresh initiatives are taken by the circle and district administrations to ensure the empanelment of good quality hospitals.

Thanking you,

Yours sincerely,

(John Verghese)
Acting General Secretary
