Sub- Video conferencing (VC) on post merger actions of Non territorial Circles- Reg

Sir,

In response to the VRS scheme, large number of employees has opted for VRS. Post VRS, the managing of important critical services and the effective utilization of remaining manpower at all the critical locations are very challenging. It is imperative to take care of the key positions and the critical activities for maintaining services during the transition period by manning all the key positions necessary for maintenance and upkeep of the network and other infrastructure. The redesign of Organizational structure and the revised man power norms have remained on top most priority to the BSNL Management.

Considering the criticality and importance of different structure existing in BSNL, it has been decided by the competent authority to initiate action of merging of Non territorial Circles and reduce the man powers on administrative and other works which are duplicative, so that the employees engaged on these works are effectively used in the network operation and strengthen the field work. In order to streamline the merger and to address the various issues post merger, CMD has desired video conferencing with the CGM of these circles. Schedules of Video conferencing with the various circles are as under-

S. No	Circles (Non territorial)	Circles (Territorial)	Date	Time
1.	ALTTTC, BRBRAITT, NATFM	MP, Telangana	16.12.19	11 AM to 12 PM
2.	TF- Mumbai, Kolkatta, Jabalpur	MH, WB, MP	16.12.19	12 PM to 1 PM
3.	Project and Maintenance- All	Nil	17.12.19	11 AM to 1 PM

This is issued with the approval of CMD.
